2. MANAGING PLUGIN & CONTACT DETAILS

👉 This document relates to the BrandCrock plugin for **Oktoberfest Theme** for Shopware 6 and contains important information about installation and usage of the plugin. At the same time, this document serves as performance and functional specification for features available in the plugin.

👉 If you face any issue or problems on installing or testing our plugin please contact our **Support team**.

👉 Please don't change or modify the plugin without having any experience or understanding.

2.1 About this Plugin

Oktoberfest Theme extension allows users to add a new theme for their web shop. Using **Oktoberfest Theme** extension you can design and build your own theme for your online store. The enhanced theme is highly responsive with a wide range of customization features and optimized loading speed. This plugin allows users to customize the homepage with header, footer, promotional message, header notifications, promotion toggler, navigation bar, business certificate, enhanced product listing, and social media icons. Additionally, store widgets can be stylized from the shop backend.

The theme configurations are completely customizable with colours and images. The product listing and detail page is enhanced with a new look and appearance making it more appealing. These customizable settings can be enabled or disabled whenever needed.

3. PLUGIN INSTALLATION

The initial step is the **Installation** of the plugin.The following screenshots will explain you in detail about the installation process,

**Step 1:** Login to shop backend, navigate to **Extensions > My extensions**.

<p style="text-align:center">Figure 1</p>

Step 2: Click the Upload **extension** to browse the **BrandCrockOktoberfest.zip** file and then click **Open** to upload the plugin.

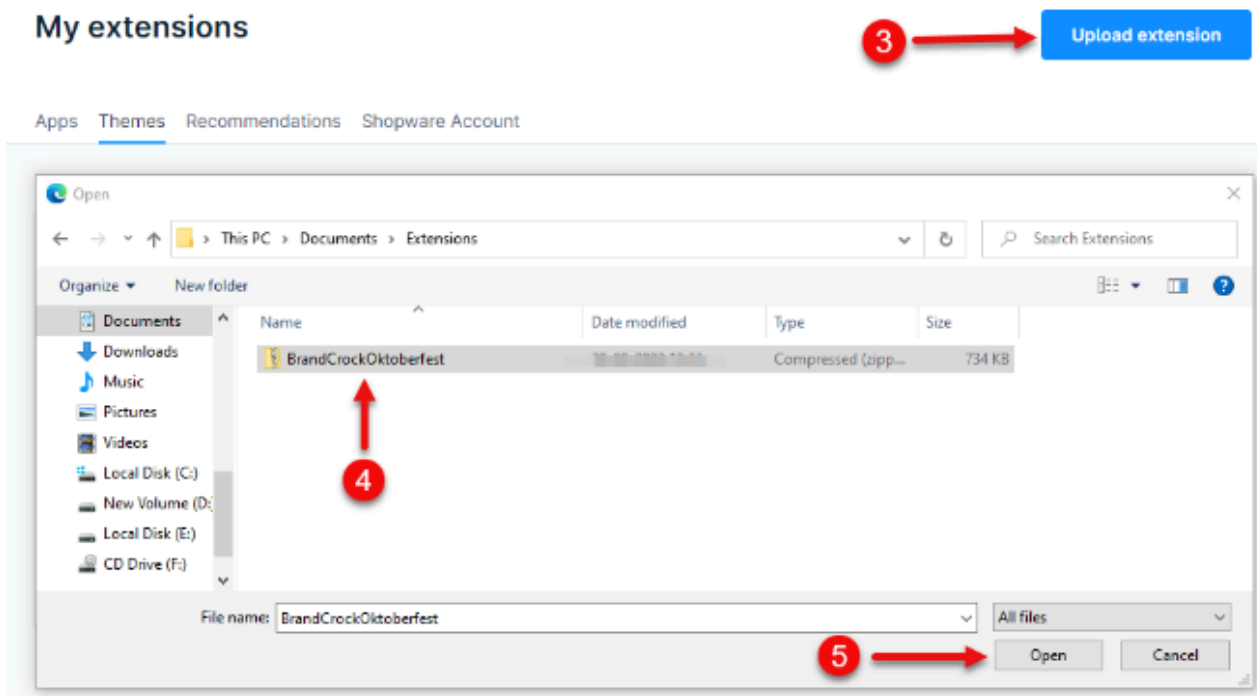

<p align="center">Figure 2</p>

Step 3: After uploading the **Oktoberfest - Responsive Theme** plugin, it will be shown under **Themes** in **My extensions** page.

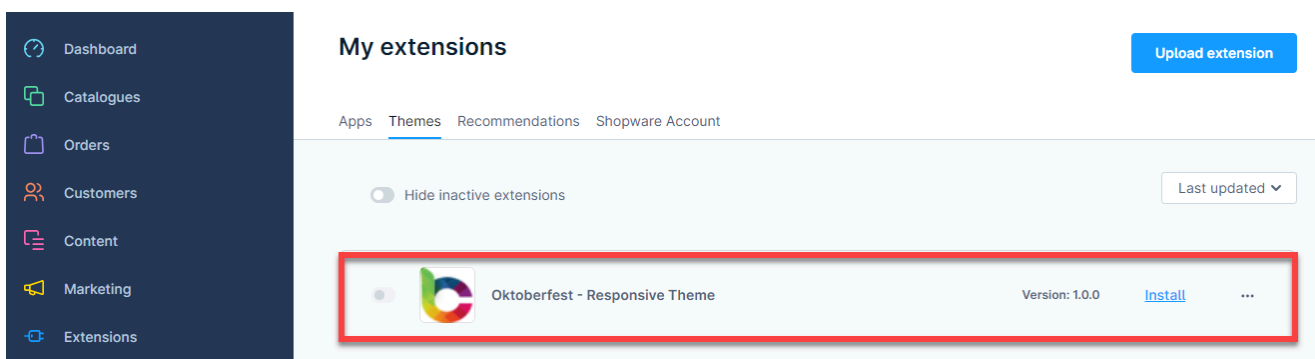

<p align="center">Figure 3</p>
