1. ABOUT BRANDCROCK GMBH

BrandCrock GmbH is a one-stop software solution provider for all your business needs in more than 15 countries worldwide. We create sales-oriented corporate websites, internet-based software and web services. We are stationed in Munich, Germany, with other offices in Karachi and Chennai.

BrandCrock GmbH is one of Germany's leading and trusted offshore and outsourcing software solution providers for web designing and software development.

Since 2015 we have been in the field of information technology and software development; providing reliable and cost-effective solutions to individuals, business owners, start-ups, small to medium size companies (SME's) on-line retailers, production companies, Software and Design Agencies. BrandCrock is fulfilling a greater demand of software development at a reasonable cost for anyone interested in our professional skills especially the European and German based Market.

We have passionate teams and multi-talented individuals who are extremely committed to their work. At BrandCrock we are achieving robust, reliable, high quality IT solutions by practicing industry-proven methods cum standards in software development, project management and quality assurance methodologies.

For further information, please refer to our website www.brandcrock.com

2. MANAGING THEME & CONTACT DETAILS

☛ This document relates to the BrandCrock theme for **Auto Expert** for **Shopware 6** contains important information about installation and usage of the theme. At the same time, this document serves as performance and functional specification for features available in the theme.

☛ If you face any issue or problems on installing or testing our theme please contact our [Support team](#).

☛ Please don't change or modify the theme without having any experience or understanding.

2.1 About this Theme

Auto Expert theme has easy to use customizations to give a visually stunning appearance to your online shop. This theme is ideally used to design automotive websites. You can build your brand identity by customizing the shop with colors and logo that reflects your brand. The theme is fully responsive leveraging a perfect customer experience. This customization includes home page, header, footer, top bar, product listing page, product detail page, status messages, background colour, text colour, and social media icons in the shop front-end. Additionally, this theme allows the display of promotional messages and search bars as pop-up, product page background and design customization, and homepage content blocks.

3. THEME INSTALLATION

The initial step is the **Installation** of the theme. The following screenshots will explain you in detail about the installation process:

Step 1: Login to shop backend, navigate to **Extensions > My extensions**.

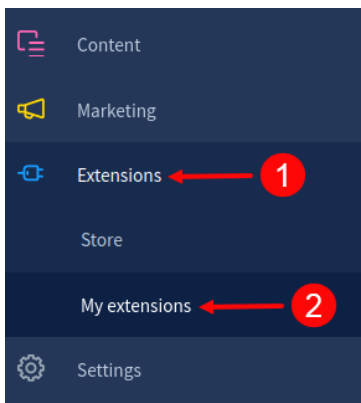

Figure 1

Step 2: Navigate to **Themes**, click **Upload extension** to browse the **BrandCrockAutoExpert.zip** file, select the theme and click **Open** to upload the theme.

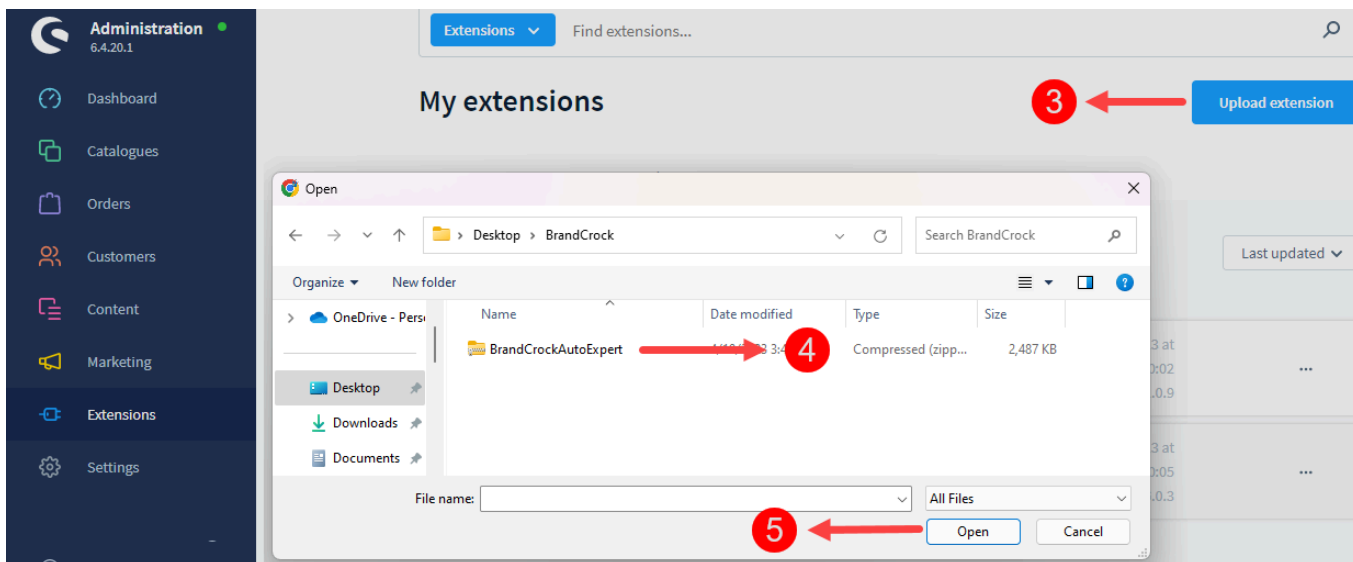

Figure 2

Step 3: After uploading the **Autoexpert – Responsive Theme**, it will be shown under **Themes** in **My extensions** page.

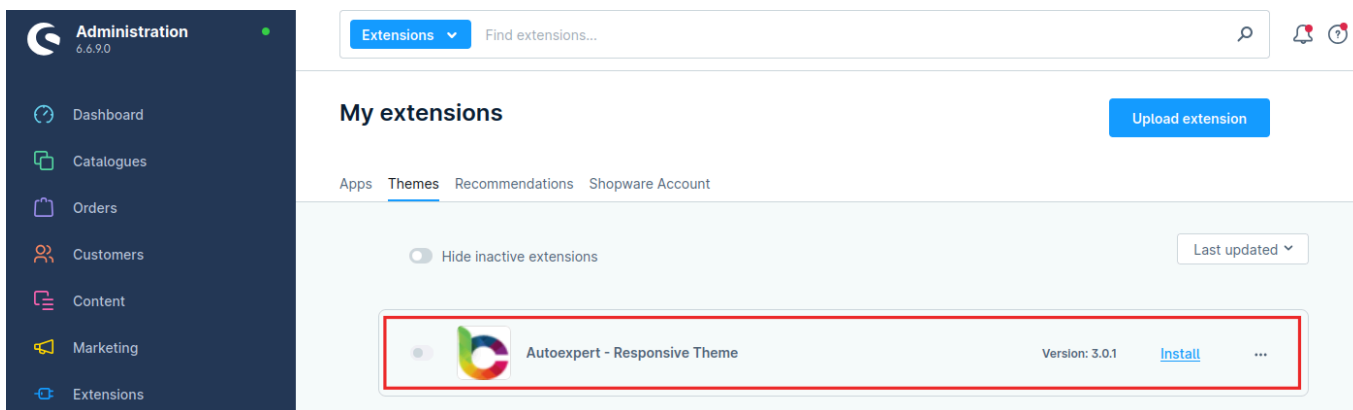

Figure 3

Step 4: Now, install the **Autoexpert – Responsive Theme** by clicking **Install** as shown below

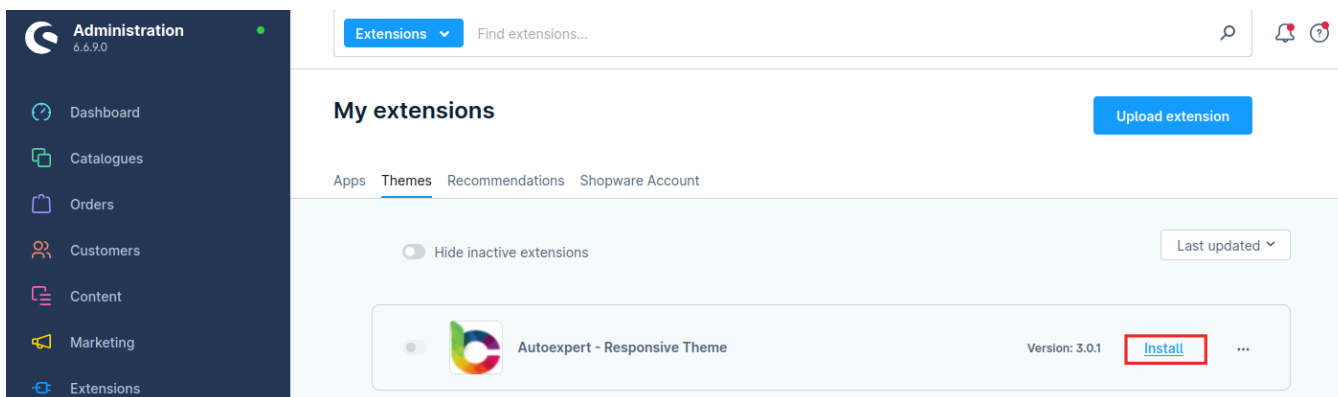

Figure 4

Step 5: Next, click enable switch to activate the **Autoexpert – Responsive Theme**.

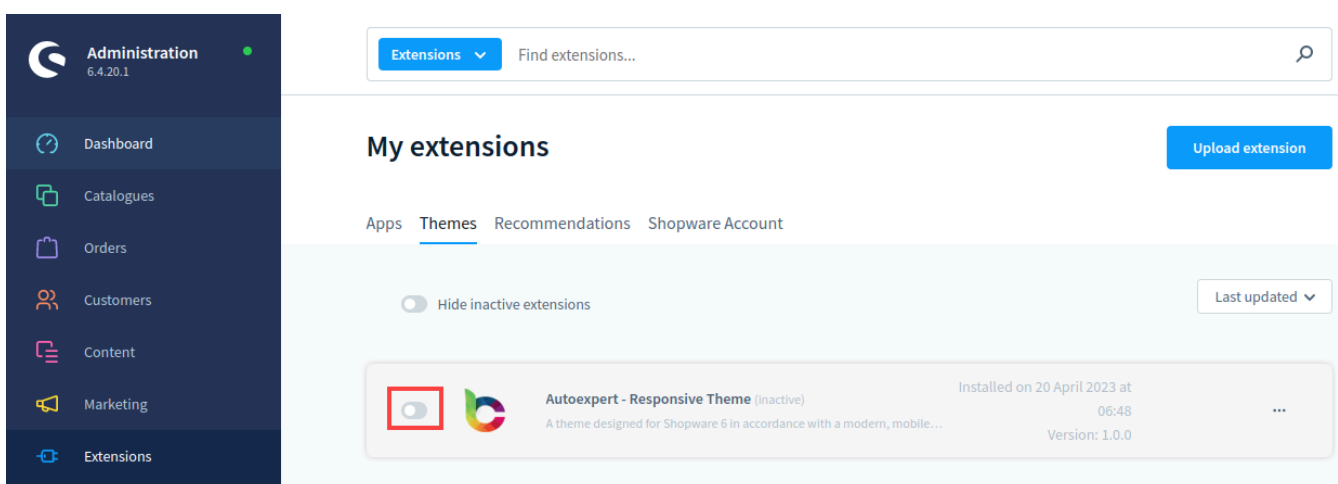

Figure 5

4. EXTENSION CONFIGURATION

To configure the theme go to **Content > Themes** and choose **Autoexpert – Responsive Theme** as shown below

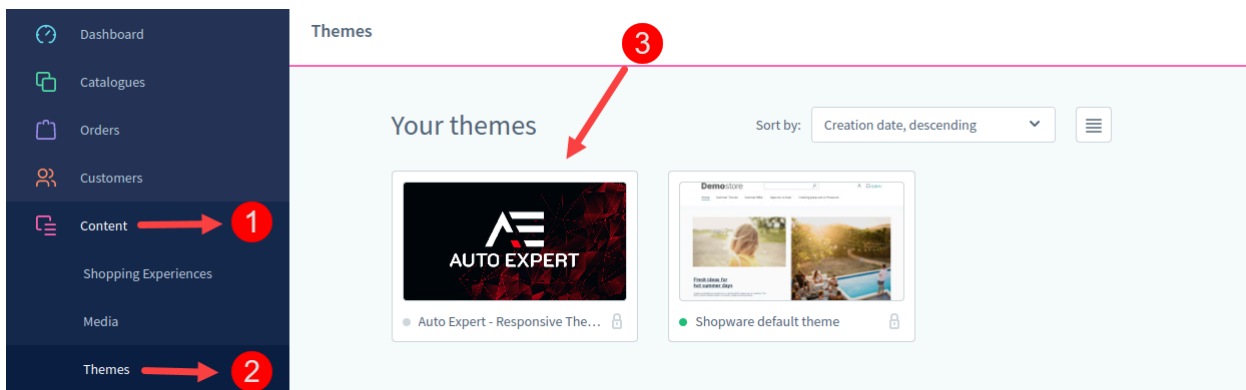

Figure 6

Alternatively, you can also navigate to **Extensions > My extensions > Themes > Autoexpert – Responsive Theme > Open extension to extension** to view the configuration settings.

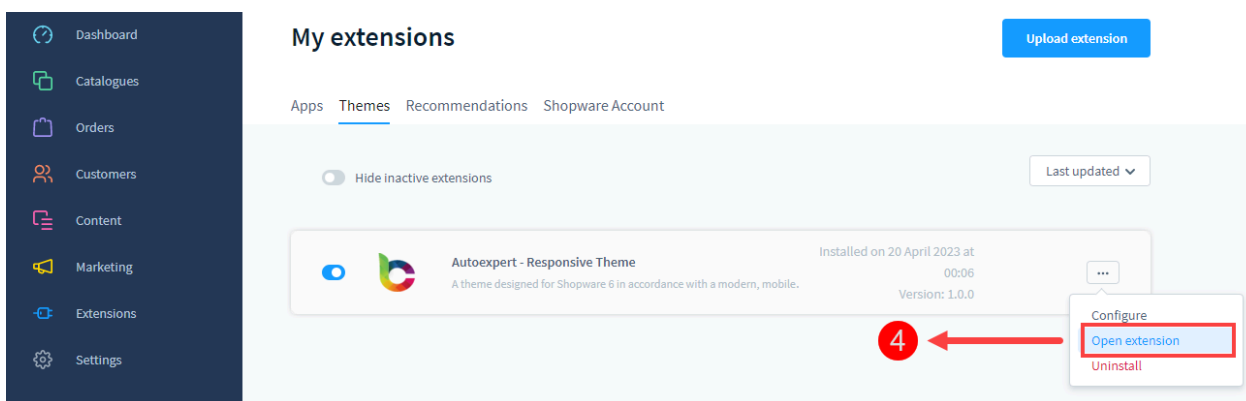

Figure 7

Under **Auto expert – Responsive Theme**, select one or more sales channels, to be added for assigning themes. Configure the below sections,

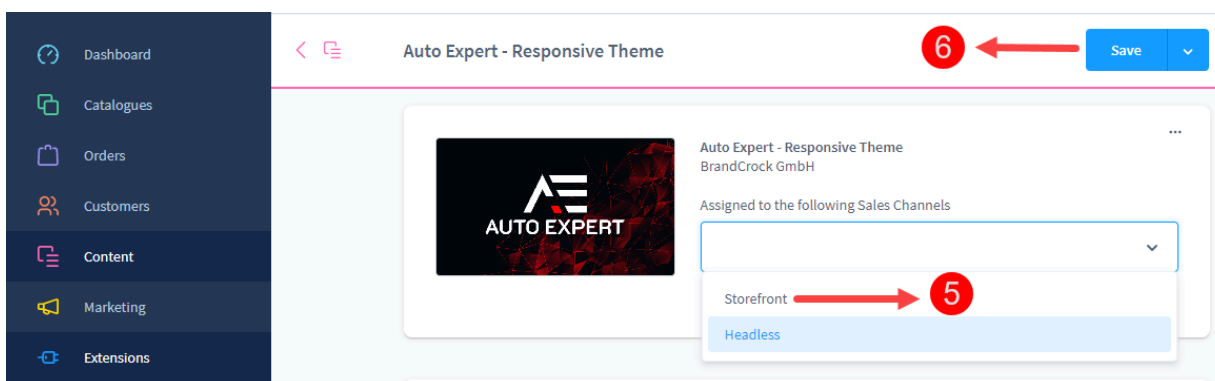

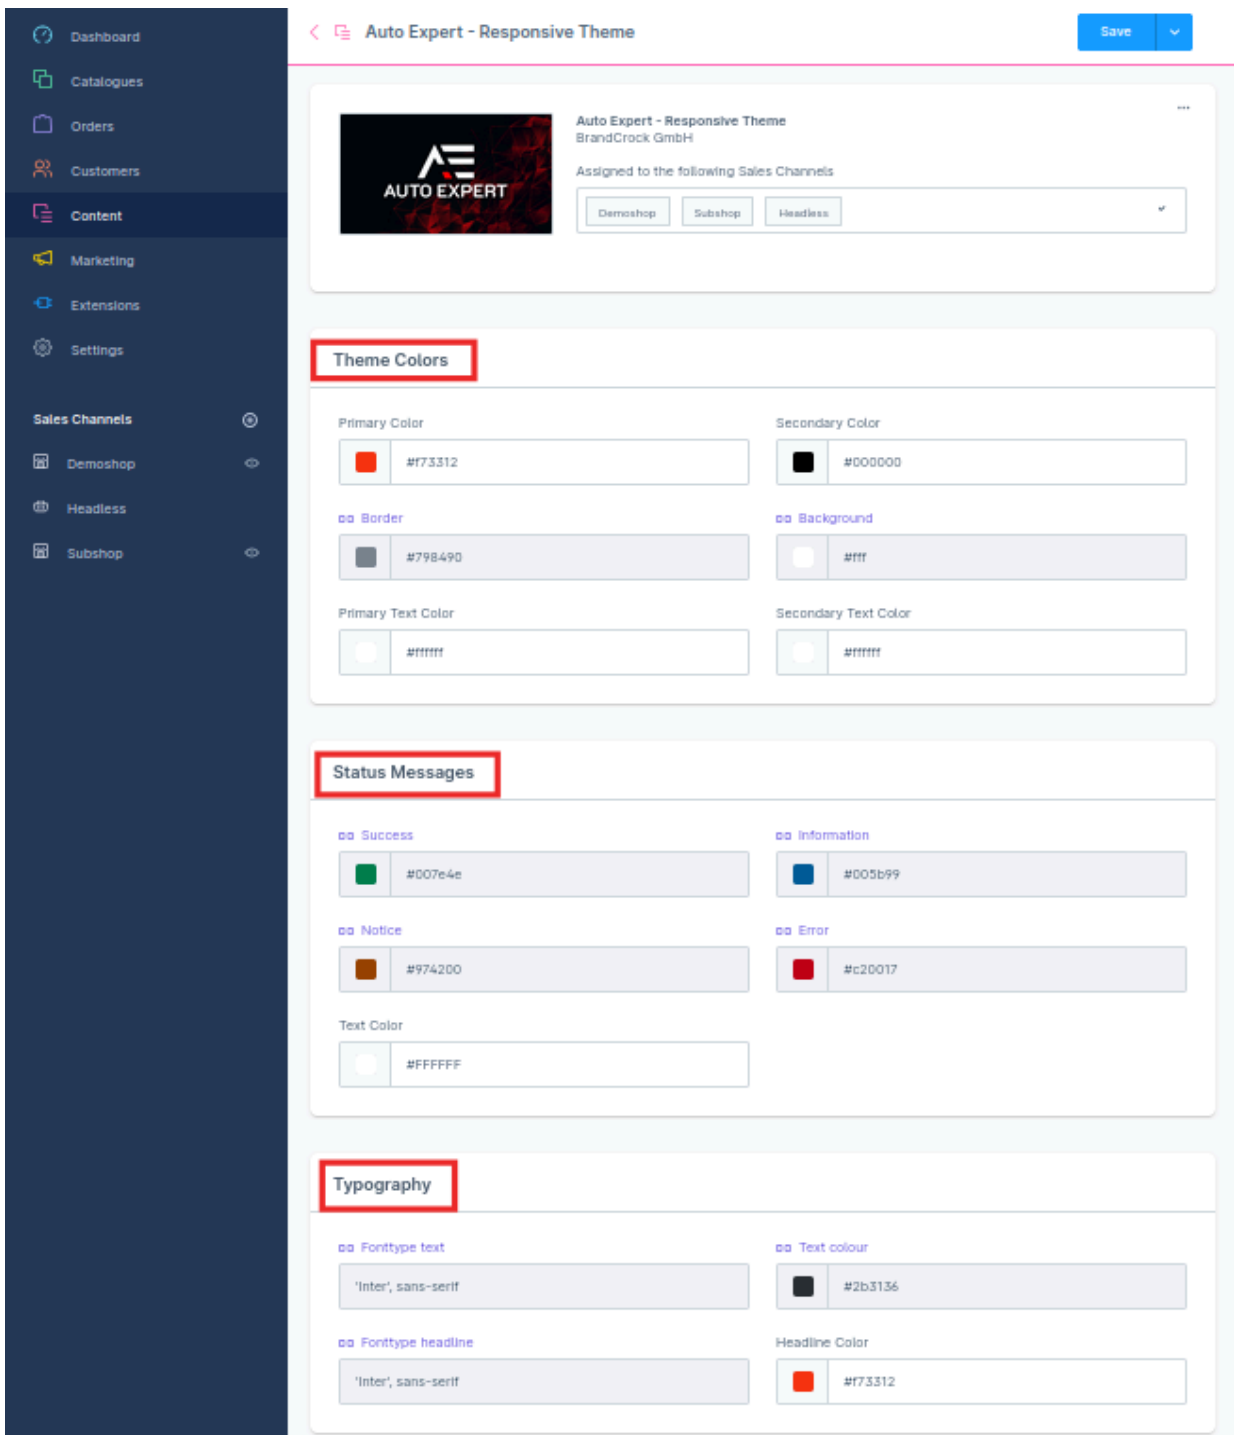

Figure 8

In this section you can change the theme colours, colour of the status message/alerts, typography (text font and colour), e-commerce shop components, and logos based on the devices.

The screenshot shows the 'Auto Expert - Responsive Theme' configuration page. On the left is a dark sidebar with navigation options: Dashboard, Catalogues, Orders, Customers, Content, Marketing, Extensions, Settings, Sales Channels (Demoshop, Headless, Subshop). The main content area is titled 'Auto Expert - Responsive Theme' and includes a 'Save' button. Below the title is a theme preview card showing the 'AUTO EXPERT' logo and assigned sales channels: Demoshop, Subshop, and Headless. The configuration is divided into three sections, each with a red border:

- Theme Colors:**
 - Primary Color: #f73312
 - Secondary Color: #000000
 - Border: #798490
 - Background: #fff
 - Primary Text Color: #ffffff
 - Secondary Text Color: #ffffff
- Status Messages:**
 - Success: #007e4e
 - Information: #005b99
 - Notice: #974200
 - Error: #c20017
 - Text Color: #FFFFFF
- Typography:**
 - Fonttype text: 'Inter', sans-serif
 - Text colour: #2b3136
 - Fonttype headline: 'Inter', sans-serif
 - Headline Color: #f73312

BrandCrock

Gateway To Digital Brand

The screenshot displays the BrandCrock Admin Panel interface. On the left is a dark sidebar menu with categories like Catalogues, Orders, Customers, Content, Marketing, Extensions, Settings, Sales Channels, Demoshop, Headless, and Subshop. The main content area is titled 'Autoexpert - Responsive Theme' and includes a 'Save' button. It contains two main sections for configuring product sliders. The first section, 'Slider One', includes fields for 'Choose Multiple Products', a toggle for 'Enable Or Disable Product Slider One Sidebar', 'Sidebar One Heading' (with a text input 'GET 25% FOR OUR EVERY PRODUCTS'), 'Sidebar One Description' (with a text input 'Lorem ipsum dolor sit amet...'), 'Sidebar One Button Text' (with a text input 'Visit Now'), and 'Sidebar One Button URL' (with a text input '#'). The second section, 'Slider Two', has identical fields. Below these is a 'Listing Page' section with a toggle for 'Enable Or Disable Product Views' and three checked checkboxes: 'Minimal Grid View', 'Grid View', and 'List View'. At the bottom left of the sidebar, it shows 'Shop Admin Administrator'.

Figure 11 (h)

The screenshot displays the 'Product Detail Page' configuration interface. On the left is a dark sidebar menu with options: Dashboard, Catalogues, Orders, Customers, Content, Marketing, Extensions, Settings, Sales Channels, Demoshop, Headless, and Subshop. The main content area is titled 'Product Detail Page' and includes a 'Save' button. The settings are organized into sections: 'Enable To Show The Product Detail Tab Navigation In Popup' (checked), 'Enable Or Disable Custom Tab One' (checked), 'Custom Tab One Button Text' (input field: 'Custom Tab One'), 'Custom Tab One Content' (rich text editor: 'Custom Tab 1', 12 characters), 'Enable To Disable Custom Tab Two' (checked), 'Custom Tab Two Button Text' (input field: 'Custom Tab Two'), 'Custom Tab Two Content' (rich text editor: 'Custom Tab 2', 12 characters), 'Enable Or Disable Share Icons' (checked), and social media options for Facebook, Twitter, and WhatsApp (all checked).

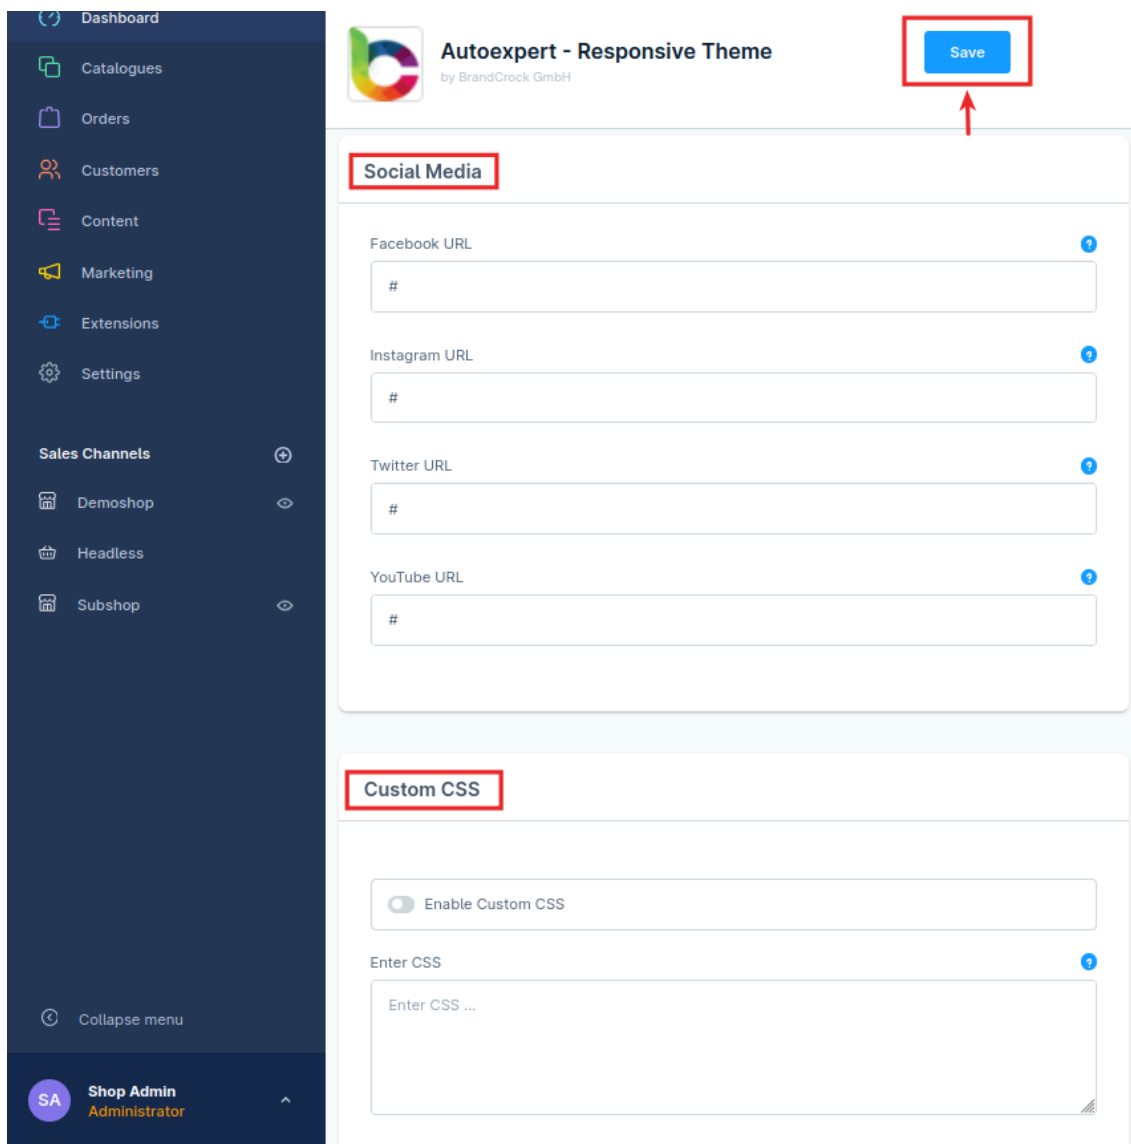

Figure 11 (i)

The screenshot displays the 'Autoexpert - Responsive Theme' settings page. On the left is a dark sidebar with navigation options: Dashboard, Catalogues, Orders, Customers, Content, Marketing, Extensions, Settings, Sales Channels, Demoshop, Headless, and Subshop. The main content area is titled 'Autoexpert - Responsive Theme' and includes a 'Save' button. Two sections are highlighted with red boxes:

- Notification Popup:** Contains a toggle for 'Enable Or Disable Notification Popup' (checked), a 'Notification Popup Timer' field with the value '4000', a 'Title' dropdown set to 'Tonight only', a 'Description' dropdown set to '50% off everything', a 'Button Url' field with a '#' symbol, and a 'Button Text' dropdown set to 'Start Saving Now'.
- Fixed Support Info:** Contains a toggle for 'Enable Or Disable Fixed Support Info' (checked), a checked checkbox for 'Enable Or Disable Mail Support', a 'Mail Id' field with 'mail@gmail.com', a checked checkbox for 'Enable Or Disable Phone Support', a 'Phone Number' field with '18005001234', and a checked checkbox for 'Enable Or Disable Social Icons'.

Figure 11 (j)

The screenshot displays the Admin Panel for the 'Autoexpert - Responsive Theme'. On the left is a dark sidebar with navigation options: Dashboard, Catalogues, Orders, Customers, Content, Marketing, Extensions, Settings, Sales Channels (Demoshop, Headless, Subshop), and a Collapse menu button. The main content area shows the theme settings. At the top right, a blue 'Save' button is highlighted with a red box and an arrow. Below it, the 'Social Media' section is highlighted with a red box and contains four input fields for Facebook URL, Instagram URL, Twitter URL, and YouTube URL, each with a '#' placeholder and a question mark icon. The 'Custom CSS' section is also highlighted with a red box and includes a toggle for 'Enable Custom CSS' (currently off) and a text area for 'Enter CSS ...' with a question mark icon. The bottom left of the sidebar shows the user 'SA Shop Admin Administrator'.

Figure 11 (k)

After configuring all the above settings, click **Save** to apply and store the changes.
