1. ABOUT BrandCrock GmbH

BrandCrock GmbH is a one-stop software solution provider for all your business needs in more than 15 countries worldwide. We create sales-oriented corporate websites, internet-based software and web services. We are stationed in Munich, Germany, with other offices in Karachi and Chennai.

BrandCrock GmbH is one of Germany's leading and trusted offshore and outsourcing software solution providers for web designing and software development.

Since 2015 we have been in the field of information technology and software development; providing reliable and cost-effective solutions to individuals, business owners, start-ups, small to medium size companies (SME's) on-line retailers, production companies, Software and Design Agencies. BrandCrock is fulfilling a greater demand of software development at a reasonable cost for anyone interested in our professional skills especially the European and German based Market.

We have passionate teams and multi-talented individuals who are extremely committed to their work. At BrandCrock we are achieving robust, reliable, high quality IT solutions by practicing industry-proven methods cum standards in software development, project management and quality assurance methodologies.

For further information, please refer to our website www.brandcrock.com

2. MANAGING THEME & CONTACT DETAILS

☛ This document relates to BrandCrock theme for **Industryarc** for **Shopware 6** contains important information about installation and usage of the theme. At the same time, this document serves as performance and functional specification for features available in the theme.

☛ If you face any issue or problems on installing or testing our theme please contact our [Support team](#).

☛ Please don't change or modify the theme without having any experience or understanding.

2.1 About this Theme

Industryarc theme allows you to add a new theme for your web shop. This theme is highly responsive with a wide range of customization features and optimized loading speed. **Industryarc** theme completely transforms your website with enhanced appearance and usability for your online store. This customization includes home page, header, footer, top bar, product listing page, product detail page, status messages, background colour, text font, text colour, and social media icons in the shop front-end. Additionally, this theme allows the display promotional messages and search bar as pop-up, product page background and design customization, and homepage content blocks.

3. THEME INSTALLATION

The initial step is the **Installation** of the theme. The following screenshots will explain you in detail about the installation process:

Step 1: Login to shop backend, navigate to **Extensions > My extensions > Themes**.

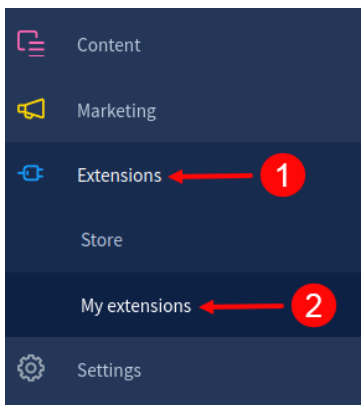

Figure 1

Step 2: Click the Upload extension to browse the BrandCrockIndustryarc.zip file, select the theme and click Open to upload the theme.

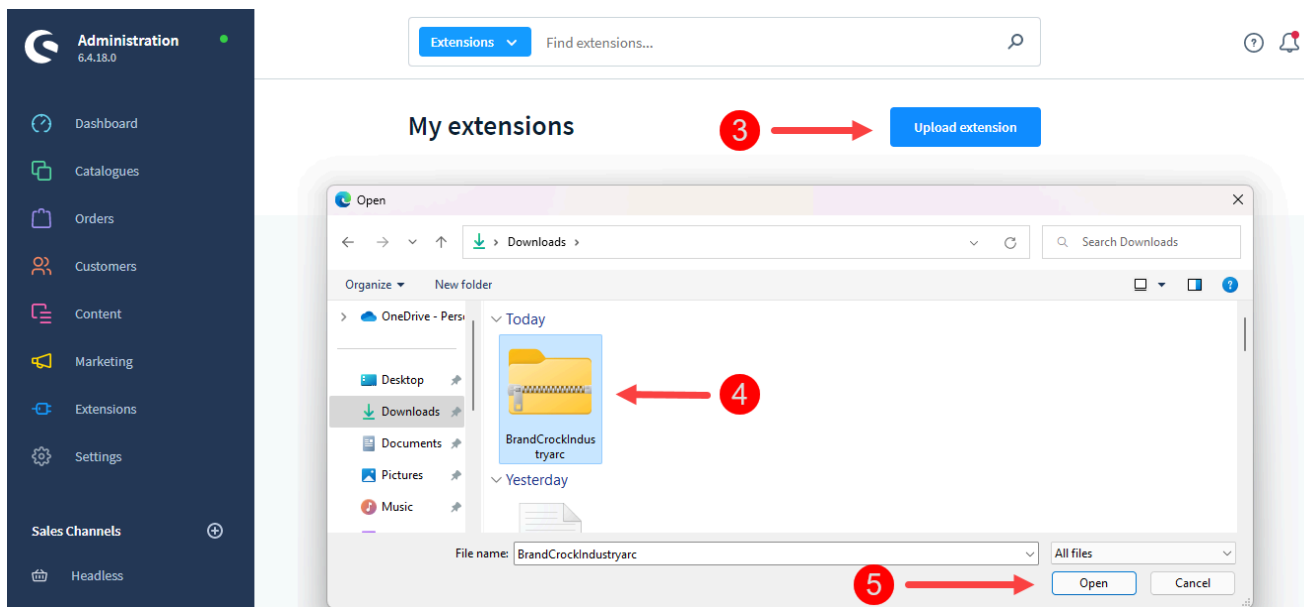

Figure 2

Step 3: After uploading the Industryarc – Responsive Theme, it will be shown under Themes in My extensions page.

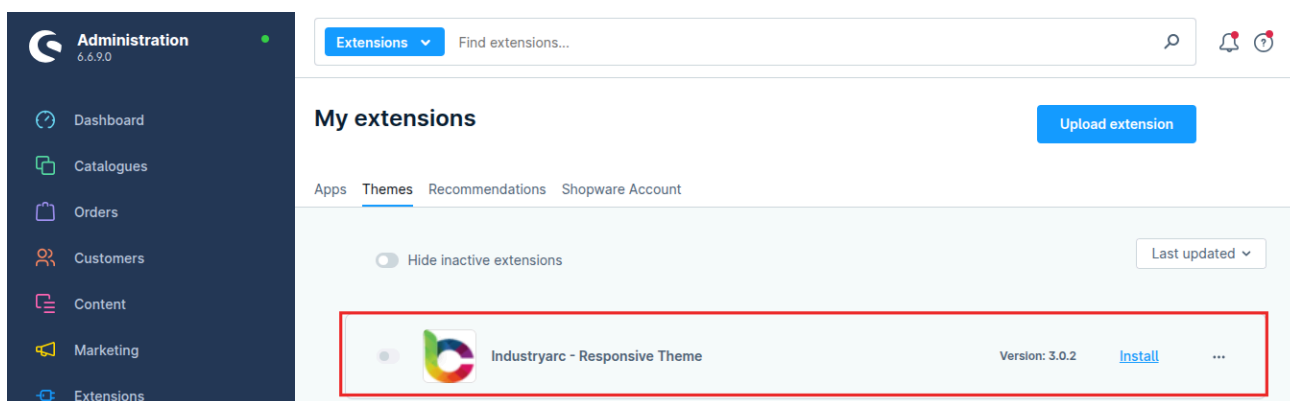

Figure 3

Step 4: Now, install the Industryarc – Responsive Theme by clicking Install as shown below

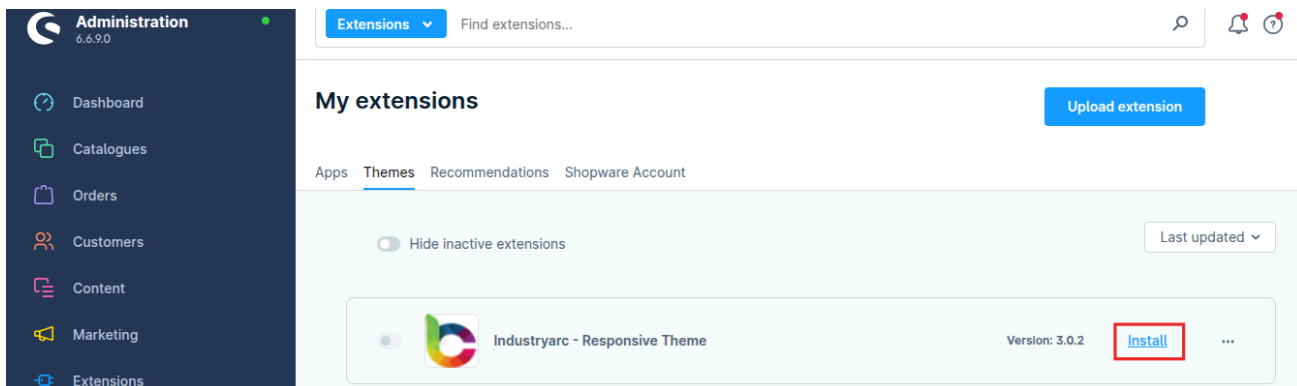

Figure 4

Step 5: Next, click enable switch to activate the Industryarc – Responsive Theme.

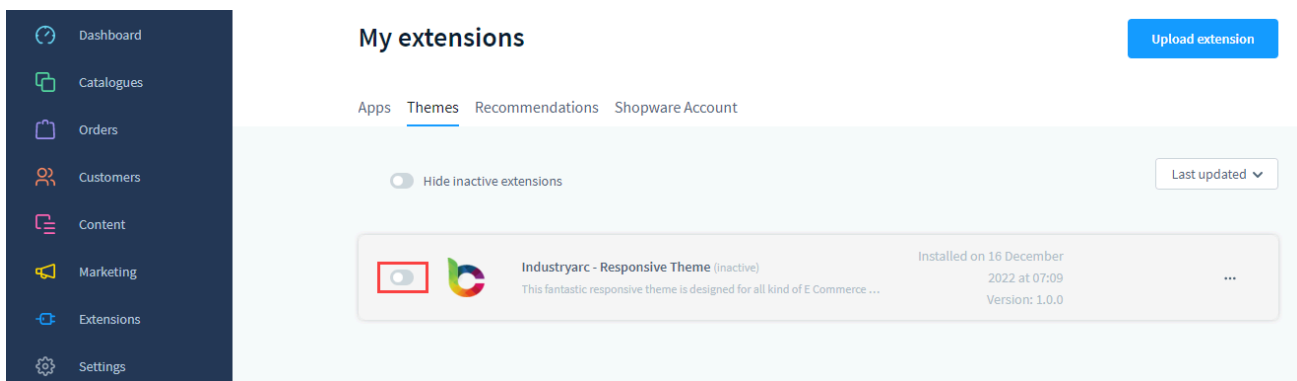

Figure 5

4. EXTENSION CONFIGURATION

To configure the theme go to **Content > Themes** and choose **Industryarc – Responsive Theme** as shown below

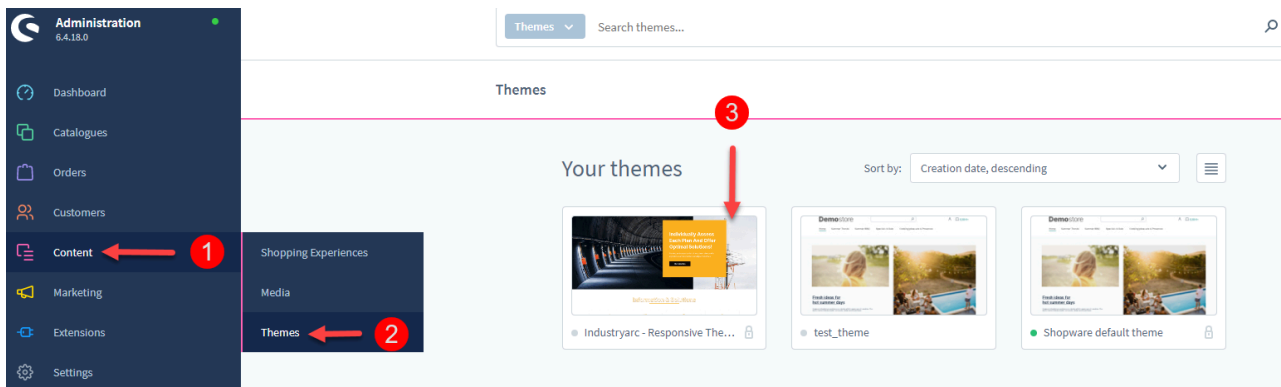

Figure 6

You can also navigate to **Extensions > My extensions > Themes > Industryarc – Responsive Theme > Open extension** to view the configuration settings.

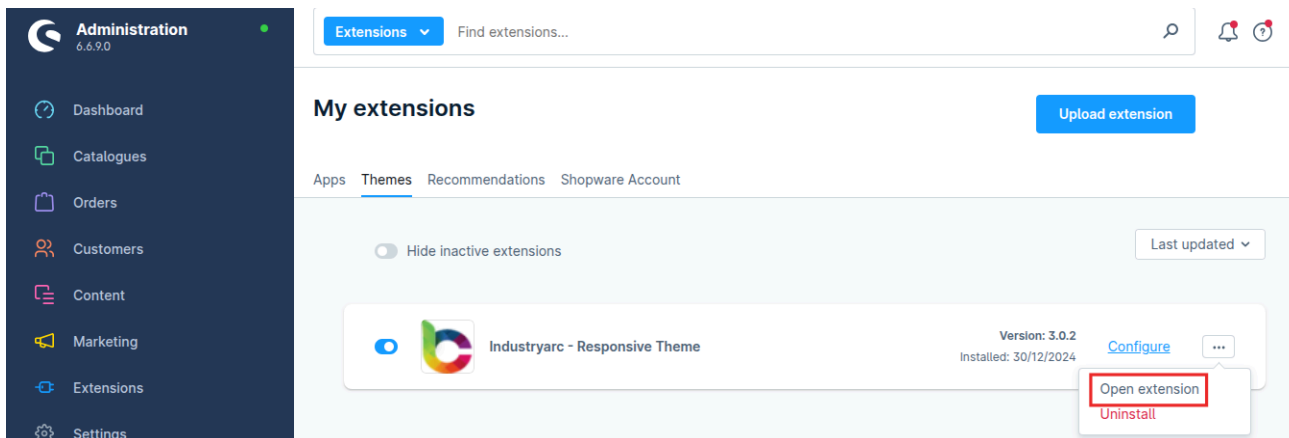

Figure 7

Under **Industryarc – Responsive Theme**, select one or more sales channels, to be added for assigning themes. Configure the below sections

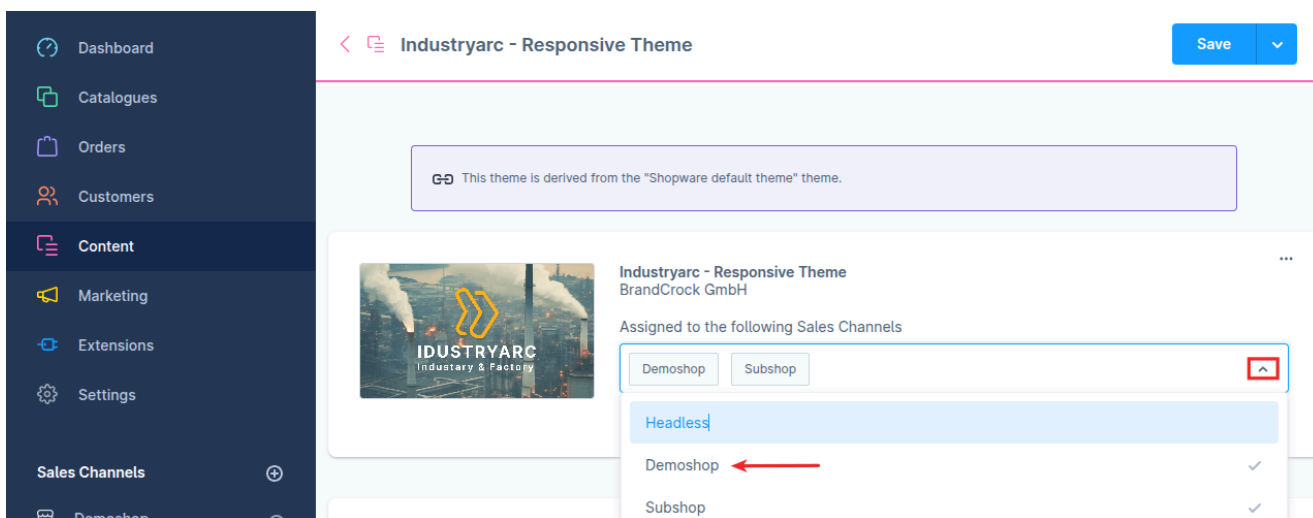

Figure 8

In this section you can change the theme colours, colour of the status message/alerts, typography (text font and colour), e-commerce shop components, and logos based on the devices.

BrandCrock
Gateway To Digital Brand

The screenshot displays the BrandCrock admin interface for the 'Industryarc - Responsive Theme'. On the left is a dark sidebar with navigation options: Dashboard, Catalogues, Orders, Customers, Content, Marketing, Extensions, Settings, Sales Channels (Demoshop, Headless, Subshop), and Shop Admin. The main content area is titled 'Industryarc - Responsive Theme' and includes a 'Save' button. It is divided into two sections:

- Logos & Icons:** This section contains six image upload fields, each with a dashed border and a close button (x). The fields are: Desktop, Tablet, Mobile, App & Share Icon, Favicon, and Footer Logo. Each field currently contains a placeholder image of a yellow and orange logo.
- General Settings:** This section contains four settings: 'Loader Image Or Gif' (with a placeholder image of a yellow star), 'Loader Background Color' (with a color picker and the value #ffffff), 'Ad Popup Image' (with a placeholder image of a megaphone), and 'Ad Popup Background Color' (with a color picker and the value #ffffff).
