### 2. MANAGING PLUGIN & CONTACT DETAILS

This document relates to BrandCrock plugin for **Special Product Sidebar** and contains important information about installation and usage of the plugin. At the same time, this document serves as performance and functional specification for features available in the plugin.

If you face any issue or problems on installing or testing our plugin please contact our <u>Support team</u>.

Please don't change or modify the plugin without having any experience or understanding.

#### 2.1 About this Plugin

**Special Offer Product Sidebar** plugin allows the merchant to sell a product at a discounted price and the offer product can be set to display as a special product in the sidebar. The offer product is made to display with the stock availability, for a specific period of time or until stocks last.

### **3. PLUGIN INSTALLATION**

The initial step is the Installation of the plugin. The following screenshots will explain you in detail about the installation process,

Step 1: Login to shop backend, navigate to Extensions 
My extensions.
